PENTA Introduction

We extend an invitation to explore the myriad advantages of partnering with Penta Hardware, a distinguished industry player specializing in bathroom accessories and related hardware since our inception in July 1989. Here's a concise overview of what sets us apart:

Established Legacy:

Since 1989, our unwavering commitment to craftsmanship and innovation has defined our journey.

Robust Production Infrastructure in Dongguan, China:

With a workforce of 80 skilled professionals and a state-of-the-art 5,000 square meter facility in Dongguan, China, our production capabilities are primed to meet your diverse needs in bathroom accessories and related hardware.

Comprehensive Product Offering:

Our extensive product range encompasses a variety of bathroom accessories, lock levers & backplates, faucet levers, and copper tubes, all meticulously crafted for excellence.

Prestigious OEM Collaborations:

Over the years, we've proudly collaborated with industry leaders such as Delta Faucet, Price Pfister, Kohler, Liberty Hardware, Grohe, and Hansgrohe.

Unlocking Exclusive Benefits for Your Bathware Business:

Complimentary New Product Mold Development:

Benefit from our commitment to covering the costs of developing new product molds tailored to your unique bathroom specifications. Our streamlined production timeline ensures swift delivery within 30-45 days, alleviating the burden of development expenses.

Quarterly Access to Innovative Designs:

Stay ahead of industry trends with our pledge to provide you with new bathroom accessory designs every three months at no additional cost. Your vision, our dedication.
